

LEGISLATIVE ASSEMBLY MANAGEMENT COMMISSION
Minutes of a Meeting Held at
2:30 p.m., Thursday, March 21, 2013
Room 254 Legislative Building

DECISIONS

1. The 2013/2014 Legislative Assembly estimates for the Assembly Offices and Offices of the Independent Officers were considered and passed.
2. The Legislative Assembly Management Commission Annual Report for 2011/2012 was considered and passed.
3. The Commission considered the current limit of one item per franking piece as provided under the Members' Printing and Mailing Allowance. The Commission decided that franking mailings can now exceed one item per franking provided that the total number of pieces is within the standard mailing and printing householder amounts per franking and does not increase the printing or mailing costs for the franking.
4. The Commission considered and approved a change to the Members' Constituency Allowance Office Operation expenses regarding the framing of photographs. Previously MLAs could only claim the expense of framing one photo per legislature of all MLAs; however now MLAs will be able to claim the framing expense for one group MLA photo in the Chamber and one composite photo of all MLA headshots.
