On motion of Hon. Mr. SALE, Bill (No. 17) – The Regional Health Authorities Amendment and Manitoba Evidence Amendment Act/Loi modifiant la Loi sur les offices régionaux de la santé et la Loi sur la preuve au Manitoba, was read a First Time and had its purposes outlined.

Pursuant to Rule 26(1), Ms. BRICK, Messrs. HAWRANIK, JENNISSEN and LOEWEN and Ms. KORZENIOWSKI made Members' Statements.

The House resumed the Interrupted Debate on the Proposed Motion of Hon. Mr. SELINGER:

THAT this House approves in general the budgetary policy of the government.

And the proposed amendment moved by Mr. MURRAY as follows:

THAT the motion be amended by deleting all the words after "House" and substituting the following:

therefore regrets this Budget ignores the present and future needs of Manitobans by:

- (a) Failing to offer any vision and to reflect the priorities of Manitoba; and
- (b) Failing to provide a long-term economic strategy and tax reduction strategy that addresses the fact that Manitobans are now, under the Doer NDP government, the highest taxed west of New Brunswick, and make Manitoba a "have" province; and
- (c) Failing to address the debt of Manitoba which has grown under the Doer NDP government, thereby mortgaging our children's future; and
- (d) Failing to eliminate education taxes off of residential property and farmland; and
- (e) Failing to offer a "New Deal" which will meet the needs of Manitoba's municipalities; and
- (f) Failing to provide adequate funding for post-secondary institutions; and
- (g) Failing to provide relief for Manitoba's livestock producers and failing to provide for sufficient slaughter capacity; and
- (h) Failing to provide for a meaningful review of the operation and administration of Manitoba's Regional Health Authorities; and
- (i) Failing to provide a long-term plan for the reduction of health care waiting lists; and
- (j) Failing to provide an opportunity for publicly funded health care services in privately-managed clinics; and

- (k) Failing to provide child care options for parents by failing to support for-profit child care centers as well as not-for-profit centers, and failing to provide a tax credit for stay-at-home parents; and
- (l) Failing Manitoba's sick and elderly by increasing Pharmacare deductibles by 20% over the past four years; and
- (m) Failing to support Manitoba's environment by failing to provide for the long-term sustainability of Manitoba's recycling and product stewardship programs; and
- (n) Failing to deal with record numbers of auto thefts and record numbers of murders; and
- (o) Failing to provide a plan or strategy to break up existing gangs and prevent new gangs from coming to Manitoba; and
- (p) Failing to deal with the high number of grow-ops and labs manufacturing illegal drugs and the proliferation of drugs; and
- (q) Failing to acknowledge their raid on Manitoba Hydro contributed to a 10% increase in Hydro rates.

As a consequence, the Government has thereby lost the confidence of this House and the people of Manitoba.

And the debate continuing on the amendment,

And Mrs. DRIEDGER, Messrs. SCHELLENBERG and MAGUIRE and Hon. Mr. GERRARD having spoken,

Hon. Mr. GERRARD moved an amendment as follows:

THAT the amendment be amended by adding thereto the following words:

And further regrets that this Budget also ignores present and future needs of Manitobans by:

- (r) Failing to provide an effective plan to improve health and prevent sickness; and
- (s) Failing to provide an effective strategy to deal with child poverty; and
- (t) Failing to provide Manitobans with the approach needed to decrease childhood obesity and diabetes; and
- (u) Failing to provide Manitobans with the legal right to timely, quality health care; and
- (v) Failing to do any better than the previous Tory government in improving the dental health of Manitoba children and decreasing the incidence of early childhood tooth decay.
