Hon. Mr. SELINGER, the First Minister, made a statement regarding today being Vimy Ridge Day and the death of Canada's last known First World War veteran, John "Jack" Babcock, on February 18,

Mr. MCFADYEN and, by leave, Hon. Mr. GERRARD commented on the statement.

Pursuant to Rule 26(1), Messrs. BRIESE and CALDWELL, Mrs. ROWAT, Hon. Mr. SWAN and Mr. LAMOUREUX made Members' Statements.

The House resumed the Adjourned Debate on the Proposed Motion of Hon. Ms. WOWCHUK:

THAT this House approves in general the budgetary policy of the government.

And the proposed amendment moved by Mr. MCFADYEN as follows:

That the Motion be amended by deleting all the words after "House" and substituting:

therefore regrets that this budget fails to address the priorities of Manitobans by:

- (a) forcing Manitoba families to pay higher hydro rates, higher water bills, and a range of other hidden taxes in order to pay for three wasteful NDP pet projects which are:
 - i. forcing Manitoba Hydro, against its advice, to build Bipole III on the west side route, costing Manitobans an extra \$640 million, and damaging the environment; and
 - ii. forcing the City of Winnipeg to remove nitrogen from its wastewater, a decision that is expected to cost ratepayers an additional \$350 million, and which respected scientists say could be harmful to the health of Lake Winnipeg; and
 - iii. forcing unwanted enhanced drivers' licenses on Manitobans, costing \$14 million; and

- (b) creating a sinkhole of debt, now at \$23.4 billion and rising. As a result, Manitoba families will be forced to work longer hours at lower pay to pay off this bill in the years ahead; and
- (c) scrapping balanced budget laws in order to allow the NDP to accrue massive deficits totalling \$2.039 billion over the next half decade, putting social programs such as healthcare and education at risk; and
- (d) failing to preserve front line health care services with innovative service delivery, emphasizing preventative care, and reducing bloated bureaucracy; and
- (e) failing to recognize the importance of agriculture and rural communities to our economy; and
- (f) failing to offer a plan to encourage private investment to create opportunity and wealth, so Manitobans can feel hope that we will one day emerge from the hole of debt and dependency and see a brighter future.

As a consequence, the government has thereby lost the confidence of this House and the people of Manitoba.

And the proposed sub-amendment moved by Hon. Mr. GERRARD as follows:

THAT the amendment be amended by adding thereto the following words:

And further regrets that this budget fails to address the priorities of Manitobans by:

- (g) failing to properly manage the finances of Manitoba and as a result building up a huge structural deficit which will hurt Manitobans for many years to come; and
- (h) failing to acknowledge the damage the payroll tax has on economic growth; and
- (i) failing to set high goals for our provincial education system; and
- (j) failing to create an adequate action plan and funding for early childhood education in Manitoba, and
- (k) failing to increase student aid support to post-secondary education students and increasing tuition for university students by 5% which is above the cost of living.
- (l) failing to recognize the need for, and address the establishment of, a Manitoba Science, Engineering and Humanities Research Council; and
- (m) failing to reduce wait times for post-secondary institutions; and
- (n) failing to put patients first by continuing to base RHA spending on global budgets, rather than services delivered; and

Friday, April 9, 2010

- (o) failing to adequately address the diabetes epidemic facing Manitoba and to set a target for reduction of the incidence of diabetes in our province; and
- (p) failing to ensure local community access to health care as has happened with the Westbrook Medical Clinic closure; and
- (q) failing to develop a Manitoba policy on what services community hospitals should provide; and
- (r) failing to implement a plan to reduce child poverty rates in Manitoba; and
- (s) continuing to ignore the need to set targets and hire sufficient enforcement officers to ensure progress on cleaning up Lake Winnipeg and other Manitoba lakes suffering from toxic algae blooms; and
- (t) failing to support the agricultural sector by refusing to fund eco-friendly farming practices, such as a province-wide ALUS program; and
- (u) failing to address climate change and not running a carbon-neutral government; and
- (v) failing to address Northern Manitoba housing issues; and
- (w) failing to act on economic development for First Nations and rural Manitobans; and
- (x) failing to reduce waiting times to a reasonable level in issuing nominee certificates.

And the debate continuing on the sub-amendment,

And Mrs. ROWAT and Hon. Mr. BLAIKIE having spoken.

And Mr. GOERTZEN speaking at 12:30 p.m. The debate was allowed to remain in his name and, by leave, in the name of Hon. Mr. RONDEAU.

The House then adjourned at 12:30 p.m. until 1:30 p.m. Monday, April 12, 2010.

Hon. George HICKES,
Speaker.
