Resolution No. 25: Immediately Invest in the Mental Health and Addictions Crisis in Manitoba

WHEREAS the pandemic has had adverse effects on the mental health of many Manitobans; and

WHEREAS the link between mental health outcomes and the addictions crisis has been proven by various studies; and

WHEREAS the addictions crisis has worsened during this Provincial Government's time in office, including an 87% increase in overdoses from 2019 to 2020, accounting for 372 deaths in 2020; and

WHEREAS the Provincial Government has failed to take action to improve mental health and addictions outcomes such as implementing recommendations from the Virgo Report, specifically implementing an increase to mental health and addictions funding; and

WHEREAS the Provincial Government intentionally removed the recommendation for a safe consumption site in the Virgo Report and the Premier tossed the Safe Consumption Space Report on the ground, showing his disdain for Manitobans who need help; and

WHEREAS the Provincial Government has not consistently reported overdoses and overdose deaths publicly in a timely fashion; and

WHEREAS the Provincial Government has failed to address the root causes of the addictions crisis such as poverty, family trauma and poor mental health and has instead invested in Rapid Access to Addictions Medicine clinics that don't help anyone; and

WHEREAS the Provincial Government has reduced the number of detox and addiction beds available to Manitobans despite the increasing need; and

WHEREAS the City of Winnipeg has done more to address the addictions crisis than the Provincial Government by beginning a feasibility study into a supervised consumption site.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to immediately begin publishing overdose data and invest in greater mental health and addictions supports such as detox and treatment beds, and a safe consumption site.
