RESOLUTION:

Mrs. TAILLIEU – Child Welfare in Chaos

4. WHEREAS in 2010 Manitoba's acting Children's Advocate said that Manitoba's child welfare system is in "chaos," a system rushed into place by the current Provincial Government; and

WHEREAS children continue to be at risk and are underserved by this Provincial Government's failure to improve its chaotic child welfare system; and

WHEREAS the Provincial Government's child welfare system is failing children in the worst way possible by not keeping them safe; and

WHEREAS more than five years after Phoenix Sinclair's horrific death children are still being moved from safe, loving foster homes; and

WHEREAS in October 2010 Dillon 'Breana' Belanger died while in the care of the Provincial Government's failing child welfare system after having been removed from a long-term foster home and placed in the care of her mother; and

WHEREAS in June 2009 20 month old Jaylene Sanderson-Redhead was killed by her mother while under the supervision of a Manitoba child welfare agency; and

WHEREAS in September 2010 a six year old boy, who had previously been in foster care, had to go to police and child welfare officials four times begging for help from the abuse he was suffering at the hands of his parents before he was finally removed from their care; and

WHEREAS in 2006, after the tragic death of Gage Guimond, who was also removed from a long-term foster care placement, a review conducted under Section 4 of the Child and Family Services Act led to a report containing 144 recommendations, many of which have not been implemented; and

WHEREAS Recommendation 47 of the Section 4 Review into the death of Gage Guimond requires: “That any decision to move a child when there are no child protection concerns contain a written reason for this decision including reference to the impact on the child, the appropriateness of the move in accordance with the child’s stage of development and the degree of attachment to the caregiver.”

THEREFORE BE IT RESOLVED that the Provincial Government consider immediately implementing Recommendation 47 of the Section 4 Review into the death of Gage Guimond; and

BE IT FURTHER RESOLVED that the Provincial Government consider immediately placing a moratorium on moving children from safe, long-term foster placements until a transparent, system-wide public review of the child welfare system is carried out.
