RESOLUTION:

Mr. BRIESE – Downloading of Provincial Responsibilities

1. WHEREAS the Provincial Government from time to time mandates new public responsibilities; and

WHEREAS the Provincial Government routinely requires compliance and enforcement activities for these new responsibilities to be conducted by local governments; and

WHEREAS the Provincial Government has also downloaded certain responsibilities for which it was once responsible onto local governments; and

WHEREAS local governments may not necessarily have the required technical and financial resources to readily fulfill these duties, therefore forcing them to incur additional costs in order to meet these added responsibilities; and

WHEREAS the Association of Manitoba Municipalities (AMM) has passed numerous resolutions stating the high costs involved with fulfilling these new responsibilities places an undue burden on local taxpayers; and

WHEREAS the Federal and Provincial Governments created clear lines of jurisdiction through discussion and active dialogue that is codified in the Constitution.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to enter into meaningful discussions with the Association of Manitoba Municipalities and other stakeholders to more clearly delineate the jurisdictional boundaries between the two levels of government; and

BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to consider providing sufficient financial and technical resources to local governments to help them implement any new obligations the Provincial Government mandates of them.
