NOTICE PAPER

NOTICE OF MOTION FOR TUESDAY:

PROPOSED RESOLUTION:

Ms. CROTHERS – Class Size Initiatives

13. WHEREAS helping our kids succeed starts with quality education in the early years; and

WHEREAS smaller class sizes improve the quality of education in our province because students perform better with more one on one attention from teachers; and

WHEREAS the Provincial Government has committed to ensuring that Manitoba students receive these benefits through its Class Sizes Initiative, which will cap the number of students in Kindergarten to Grade 3 classes by 2017; and

WHEREAS the Initiative is being implemented in partnership with teachers, parent councils, school boards, superintendents and school business officials; and

WHEREAS the Provincial Government is providing funding to schools to hire more teachers and build more classroom space, including additional funding of \$4 million in 2013-14, bringing total funding to \$7 million this year; and

WHEREAS the cuts and freezes to school funding by the previous government led to teacher layoffs and terminations, and increased class sizes.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba commend those working in the education system for their dedication to reducing class sizes for Manitoba's students; and

BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to continue to support such initiatives in order to ensure the future success of our students.
