(Recommended by His Honour, the Lieutenant Governor)

---

## NOTICE PAPER

### NOTICE OF MOTION FOR THURSDAY:

#### PROPOSED RESOLUTION:

#### **Mrs. STEFANSON – Protecting Manitoba's Future**

**27.** WHEREAS the Clean Environment Commission recently chastised the Provincial Government for a remarkably flawed environmental assessment of its hydroelectric activities in Northern Manitoba; and

WHEREAS the Public Utilities Board has called into question the financial viability of the Provincial Government's \$21 billion hydro expansion plan to build Bipole 3 and the Keeyask and Conawapa generating stations; and

WHEREAS it is the Provincial Government that controls the Terms of Reference and rules under which these regulators must conduct their activities to protect Manitoba; and

WHEREAS the Bipole 3 routing decision is the leading example of the financial and environmental damage that can occur to Manitoba without proper evaluation of hydroelectric expansion.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba acknowledge that this Provincial Government has put Manitoba's environment, economy and taxpayers at significant risk by failing to allow an impartial and all inclusive review of its plan; and

BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to initiate a truly independent "Needs For And Alternatives To" (NFAAT) analysis of its \$21 billion hydroelectric expansion plan that includes all environmental and economic factors.

---
