RESOLUTION:

Mr. WIEBE – Strong Public Health Care

32. WHEREAS universal health care is a point of pride for Manitobans and all Canadians and is indeed one of the things that defines us as a nation; and

WHEREAS all Manitobans should have the right to access health services based on their medical need and not on their ability to pay; and

WHEREAS in the 1990s, in addition to eliminating over 1,000 nursing positions from Manitoba's health care system and experimenting with home care privatization and user fees, the Provincial Government of the day introduced two-tier health care, allowing patients who could afford it to pay user fees to a private clinic to get faster surgery, making other patients wait longer; and

WHEREAS Manitoba was forced to pay a total of \$2.3 million in federal penalties for breaching the Canada Health Act by introducing two-tier health care, money that could have been invested in front line care; and

WHEREAS a thorough study by the Manitoba Centre for Health Policy on the failed 1990s two-tier experiment found that wait times got worse in the public system as a result of a parallel private, for profit system; and

WHEREAS the Leader of the Official Opposition, who was part of the government that introduced two-tier health care in the 1990s, has again called for an American style, two-tier health care system that would allow those who can afford it to pay user fees to get faster care, calling it a "system we need".

THEREFORE BE IT RESOLVED that all members of the Legislative Assembly of Manitoba be urged to pledge to protect universal health care for Manitoba families; and

BE IT FURTHER RESOLVED that all members of the Legislative Assembly of Manitoba be urged to reject two-tier health care and illegal user fees.
