**RESOLUTION:**

**Mrs. SMITH (Point Douglas) – Protecting Low Income Manitobans**

**22.** WHEREAS the Provincial Government has announced cuts to the Rent Assist benefit, which would increase rent for over 7000 families, some by as much as \$1200 a year; and

WHEREAS the Provincial Government increased rent for Manitoba Housing residents by as much as \$720 a year and changed its policy to eliminate options for families choosing an appropriate unit; and

WHEREAS the Provincial Government broke its promise to create a comprehensive strategy to bring Manitobans out of poverty and failed to comply with legislation by not releasing an update in June; and

WHEREAS the Provincial Government refused to raise the minimum wage for two years and locked it in at an arbitrarily low rate; and

WHEREAS in the last provincial budget the Provincial Government hiked tuition fees for thousands of students, presenting a barrier for many students to access education, training and good jobs; and

WHEREAS the Provincial Government refused to renew funding for the North Point Douglas Women's Centre and other women's centres, which provided supports and counselling for some of Winnipeg's most vulnerable women; and

WHEREAS the Provincial Government froze Neighborhoods Alive and Community Places for a year, cutting services and causing unnecessary uncertainty for thousands of Manitobans who rely on these programs; and

WHEREAS the Provincial Government has broken its promise to protect low income, vulnerable, hardworking families and seniors and has instead cut their supports and cancelled funding for programs.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to commit to presenting a real, comprehensive strategy to fight poverty and to protect low income families and seniors, by reversing their damaging cuts to services, lowering fees and ensuring all Manitobans have access to good jobs.

## **DEBATE ON GOVERNMENT RESOLUTION:**

On the Proposed Motion of Hon. Mr. GOERTZEN – Long Term, Sustainable and Flexible Healthcare Funding

WHEREAS health care is the single largest budget item for provinces and territories, each of whom is responsible for the delivery of quality health services for Canadians; and

WHEREAS provinces pay more than 75 per cent of health care costs and the Federal Government continues to reduce growth in health care funding; and

WHEREAS the Federal Government's unilateral approach and refusal to engage in a discussion around the importance of a long term and sustainable partnership on health care funding should be of concern to every Manitoban; and

WHEREAS Manitoba is facing a challenging fiscal situation and the Federal Government's decision to reduce health care funding by more than \$1 billion over the next 10 years is going to put additional strain on the ability to provide services to Manitobans; and

WHEREAS federal funding is essential in order to address the increasing costs associated with the health care needs of the province's growing and aging population.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to reiterate the position of other governments representing 90 percent of Canada's population, that is, before any further discussion takes place on a renewed Health Accord, the First Ministers request a meeting with the Prime Minister regarding the need for long term, sustainable and flexible funding for the healthcare system and that if this is not accomplished, any proposed reduction in healthcare funding be delayed until 2018/19.

(Mr. MARCELINO (Tyndall Park) – 17 mins)
