DEBATE ON GOVERNMENT RESOLUTION:

On the Proposed Motion of Hon. Mr. GOERTZEN – Long Term, Sustainable and Flexible Healthcare Funding

WHEREAS health care is the single largest budget item for provinces and territories, each of whom is responsible for the delivery of quality health services for Canadians; and

WHEREAS provinces pay more than 75 per cent of health care costs and the Federal Government continues to reduce growth in health care funding; and

WHEREAS the Federal Government's unilateral approach and refusal to engage in a discussion around the importance of a long term and sustainable partnership on health care funding should be of concern to every Manitoban; and

WHEREAS Manitoba is facing a challenging fiscal situation and the Federal Government's decision to reduce health care funding by more than \$1 billion over the next 10 years is going to put additional strain on the ability to provide services to Manitobans; and

WHEREAS federal funding is essential in order to address the increasing costs associated with the health care needs of the province's growing and aging population.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to reiterate the position of other governments representing 90 percent of Canada's population, that is, before any further discussion takes place on a renewed Health Accord, the First Ministers request a meeting with the Prime Minister regarding the need for long term, sustainable and flexible funding for the healthcare system and that if this is not accomplished, any proposed reduction in healthcare funding be delayed until 2018/19.

(Mr. MARCELINO (Tyndall Park) – 17 mins)

NOTICE PAPER

NOTICE OF MOTION FOR THE NEXT THURSDAY OF PRIVATE MEMBERS' BUSINESS:

PROPOSED RESOLUTION:

Mr. SELINGER – Action Against Industrial Pollution in St. Boniface

25. WHEREAS the residents of the Saint Boniface constituency are concerned about environmental pollution effects from the nearby Mission industrial area; and

WHEREAS there are a number of schools, daycares and public parks, as well as families with children living nearby; and

WHEREAS there is a concern about the impact of airborne pollution (which might contain heavy metals and be less than 2.5 micrometers) on human health and the development of children; and

WHEREAS people in the surrounding area are reporting increased health problems, including asthma and coughing; and

WHEREAS residents in the surrounding area have reported homes shaking, walls cracking, and are concerned about the possibility of an industrial disaster, and potential damage to the aqueduct; and

WHEREAS the South Saint Boniface Residents Association has economic concerns regarding the intensification of industrial sites, given the area's proximity to downtown and tourist destinations, the potential impact on residential property value, and the potential impact on future plans for infill projects such as the Public Markets Brownfield; and

WHEREAS the South Saint Boniface Residents Association has devoted an exceptional amount of time to research and community consultation; and

WHEREAS the South Saint Boniface Residents Association is working with the University of Manitoba to help fund independent third-party testing; and

WHEREAS Bill 220, The Environmental Rights Act is a legislative tool for residents to protect themselves from environmental harms; and

WHEREAS the South Saint Boniface Residents Association has a petition with 1718 signatures and have submitted 194 Odour/Noise Nuisance Complaints forms to Manitoba Sustainable Development.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Minister of Sustainable Development to meet with South Saint Boniface Residents Association and work with them in good faith to address their concerns with respect to: human and animal health, to infrastructure including the aqueduct, reduced property values, and to the need for a public disaster management plan, all of which will improve Manitobans' quality of life by making the community livable, safe, and sustainable.
