**DEBATE ON RESOLUTION:**

**On the Proposed Motion of Mr. KINEW – Keeping Post-Secondary Education Affordable for Students and Families**

9. WHEREAS the Provincial Government has lifted the cap on post-secondary tuition hikes which limited tuition increases to the rate of inflation, allowing tuition to be raised by five percent plus inflation and deregulated course fees; and

WHEREAS universities in Winnipeg and Brandon are preparing to raise tuition at the maximum rate, meaning thousands more dollars in tuition and course fees for students over a four year degree; and

WHEREAS university tuition must be affordable and accessible to all students and parents; and

WHEREAS a tuition hike will hit low-income students and families the hardest, and some students in Manitoba are already using extra supports like food banks to afford their education; and

WHEREAS tuition is the number one barrier to post-secondary education and Manitoba should continue to have the third lowest tuition fees in Canada; and

WHEREAS maintaining the cap on tuition fees will ensure that Manitoba universities can continue to attract students from all socio-economic backgrounds and allow everyone in the province to access education; and

WHEREAS the Premier has frozen wages for public sector workers at the same time he opened the door to tuition hikes, making it harder for students to access post-secondary education and find good paying jobs thereafter; and

WHEREAS the Premier introduced legislation to lift the tuition cap without consulting with students or their families, despite meeting with student leadership several times.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to withdraw Bill 31 and maintain the cap on tuition fees so they rise by only the level of inflation and education remains affordable for every student and family in Manitoba.

**DEBATE ON GOVERNMENT RESOLUTION:**

On the Proposed Motion of Hon. Mr. GOERTZEN – Long Term, Sustainable and Flexible Healthcare Funding

WHEREAS health care is the single largest budget item for provinces and territories, each of whom is responsible for the delivery of quality health services for Canadians; and

WHEREAS provinces pay more than 75 per cent of health care costs and the Federal Government continues to reduce growth in health care funding; and

WHEREAS the Federal Government’s unilateral approach and refusal to engage in a discussion around the importance of a long term and sustainable partnership on health care funding should be of concern to every Manitoban; and

WHEREAS Manitoba is facing a challenging fiscal situation and the Federal Government’s decision to reduce health care funding by more than \$1 billion over the next 10 years is going to put additional strain on the ability to provide services to Manitobans; and

WHEREAS federal funding is essential in order to address the increasing costs associated with the health care needs of the province’s growing and aging population.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to reiterate the position of other governments representing 90 percent of Canada’s population, that is, before any further discussion takes place on a renewed Health Accord, the First Ministers request a meeting with the Prime Minister regarding the need for long term, sustainable and flexible funding for the healthcare system and that if this is not accomplished, any proposed reduction in healthcare funding be delayed until 2018/19.
