NOTICE PAPER

NOTICE OF MOTION FOR THE NEXT TUESDAY OF PRIVATE MEMBERS' BUSINESS:

PROPOSED RESOLUTION:

Mr. TEITSMA – Reducing the PST

6. WHEREAS Manitobans work hard to support themselves and their families; and

WHEREAS the previous NDP Provincial Government made this more difficult for Manitobans by taking money from the kitchen table and putting it onto the cabinet table; and

WHEREAS the previous NDP Provincial Government ran on a promise to not increase the PST; and

WHEREAS the previous NDP Provincial Government broke its promise to Manitobans, increasing the PST without the required referendum, after first expanding the tax to everything from home insurance to haircuts; and

WHEREAS the previous NDP Provincial Government routinely failed to balance the budget and forecasted increasing deficits; and

WHEREAS the previous NDP Provincial Government demonstrated a pattern of spending more and getting less resulting in higher taxes, but lower quality service for Manitobans with the highest ER wait times in Canada, the highest ambulance fees in Canada, higher children in care, and education results last in the country in math, science and literacy; and

WHEREAS the current Provincial Government believes Manitobans deserve a break; and

WHEREAS the current Provincial Government ran on a promise to reduce the PST back to seven per cent; and

WHEREAS the current Provincial Government believes in fixing the finances, repairing the services, and rebuilding the economy; and

WHEREAS on March 7, 2019 the current Provincial Government kept the promise to Manitobans to reduce the PST back to 7%; and

WHEREAS a tax cut of this magnitude is the largest tax cut in Manitoba history, and will save Manitobans \$300 million annually; and

WHEREAS the current Provincial Government's reduction of the PST will save a family of four \$3,000 by the year 2024.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba congratulate all Manitobans for finally receiving their well deserved tax break when the PST is reduced to 7% on July 1, 2019.
