RESOLUTION:

Mr. SANDHU – Creation of an Independent Seniors Advocate Office

12. WHEREAS seniors and older adults have contributed in so many ways to make Manitoba into the amazing province it is today and they deserve support and high quality care; and

WHEREAS there has been immense neglect and disregard for the care of seniors and older adults throughout this pandemic, and their needs are worthy of an Independent Officer of the Legislative Assembly; and

WHEREAS the Provincial Government completely failed seniors by not meaningfully preparing for the second wave of the pandemic and failing to address issues of understaffing; and

WHEREAS the Provincial Government has continued to cut long term care funding which has placed long term care homes in crises and left seniors particularly vulnerable to the COVID-19 pandemic; and

WHEREAS there have been several reports of elder abuse and long term care home neglect throughout the COVID-19 pandemic; and

WHEREAS there have been numerous, preventable deaths at personal care homes in the province throughout the pandemic, as the Provincial Government failed to provide adequate supports and refused to take over the Maples and Parkview care homes; and

WHEREAS the COVID-19 pandemic has emphasized the need to create a Seniors Advocate to oversee senior care, specifically in the health care system; and

WHEREAS creating the position and the office of the Seniors Advocate would have the power to initiate investigations, publicly and transparently release and table reports of long term care home inspections and investigations, as well as oversee government services for seniors in Manitoba.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to immediately create an independent Seniors Advocate to address issues related to the care of seniors in Manitoba, which will ensure that gaps in services and care for seniors in the province is meaningfully reviewed, protected, and acted upon.
