RESOLUTION:

Mr. MOSES – Creation of a Paid Sick Leave Program

19. WHEREAS the COVID-19 pandemic has shone a light on the importance of people staying home when they are sick to protect their community; and

WHEREAS the safety, health, and welfare of all Manitoba workers should remain paramount and workers should not feel pressured to come to work when they are sick to avoid losing pay; and

WHEREAS provincial data shows that racialized groups such as Indigenous, Black and Filipino Manitobans make up a disproportionate number of COVID-19 cases; and

WHEREAS a paid sick leave program will empower Manitobans to stay home when they are sick and keep coworkers, customers, and clients safe; and

WHEREAS the NDP has repeatedly called on the Provincial Government to implement a provincial paid sick leave program; and

WHEREAS the Provincial Government has attempted to take credit for the federal paid sick leave program, while not investing a single dollar into this program itself; and

WHEREAS the Provincial Government has a track record of imposing unconstitutional wage freezes on Manitobans and not creating new work contracts with various sectors across the province; and

WHEREAS the Provincial Government continues to interfere in the collective bargaining process with nurses, universities, school bus drivers, and Manitoba Hydro workers; and

WHEREAS over 58% of Canadian workers do not have access to paid sick leave; and

WHEREAS over 70% of Canadian workers who make \$25,000 or less a year do not have access to paid sick leave, many of whom are essential workers; and

WHEREAS no one should be forced to lose wages when they are sick and make the responsible decision to stay home and protect others; and

WHEREAS cases of COVID-19 have been detected in numerous workplaces and Manitobans want a government that supports their health and well-being.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to create a paid sick leave program to support Manitobans to stay home when they feel unwell without fear of losing much needed wages.
