26. WHEREAS the COVID-19 pandemic has created additional pressures and struggles for Manitobans and has seen a record increase in opioid use and deaths; and

WHEREAS mental health is an important component of the overall health of Manitobans; and

WHEREAS in spring of 2018, this Provincial Government commissioned the VIRGO report to evaluate Manitoba's mental health and addictions strategy; and

WHEREAS this Provincial Government has invested nearly \$50.2 million in 30 initiatives in order to provide better mental health services at the right place and right time; and

WHEREAS this Provincial Government is working with over 40 northern, rural, and urban organizations and agencies across the province to ensure services are available to all Manitobans no matter where they may reside; and

WHEREAS the issue of addictions is intersectional as it is related to other critical issues such as homelessness, mental health, and isolation, and on a larger scale, a symptom of issues surrounding gender, sex, race, and ability; and

WHEREAS this Provincial Government has invested in programs that reach Manitobans of all ages, race, gender, and ability; and

WHEREAS key areas of focus have included investing in women shelters, northern resources, and education and resources for youth; and

WHEREAS the Bruce Oake Recovery Centre is set to open in 2021, increasing capacity to alleviate pressures on existing residential treatment services, allowing for the focus to shift to other critical levels of service; and
