

# Environment Act Licence

Manitoba  
Environment

Licence No. 1620  
Issue Date FEBRUARY 17, 1993

In accordance with the Manitoba Environment Act (C.C.S.M. c. E125)

THIS LICENCE IS ISSUED TO:

## **RURAL MUNICIPALITY OF RHINELAND AND THE TOWN OF ALTONA; "the Licencees"**

in connection with the operation of the Development being a waste management facility comprised of liquid waste holding ponds utilized by CanAmera Foods Ltd., and located in the Rural Municipality of Rhineland on Lot 2, Plan 2137, Pt. SE1/2, 27-2-1 WPM adjacent to a municipal waste disposal ground which serves both the Town of Altona and the Rural Municipality of Rhineland, and subject to the following specifications, limits, terms and conditions:

### **DEFINITIONS**

In this Licence:

"bleaching clays" means soils used in the refining process of crude vegetable oil, which have become permeated with that oil.

"liquid waste holding ponds" means a licensed facility comprised of six individual liquid waste holding ponds used for the disposal of soapstock, and located in the Rural Municipality of Rhineland at the site location depicted in Figures #1 and #2 attached to this Licence;

"municipal waste disposal ground" means the waste disposal ground owned and operated jointly by the Rural Municipality of Rhineland and the Town of Altona, and located immediately north of the liquid waste holding ponds at the site location depicted in Figures #1 and #2 attached to this Licence;

"soapstock" means a byproduct of the refining process of crude vegetable oil, comprised largely of neutralized free fatty acids, gums, residual sodium hydroxide and water.

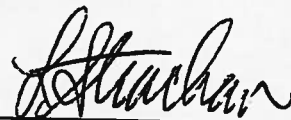

### **SPECIFICATIONS, LIMITS, TERMS AND CONDITIONS**

1. The Licencees shall ensure that the liquid waste holding ponds are not used for the disposal of soapstock, unless otherwise approved by the Director by reason of exceptional circumstances.
2. The Licencees shall ensure that burning does not take place at or in the liquid waste holding ponds.

3. The Licencees shall maintain detailed monthly records of the total volume of bleaching clays deposited in the municipal waste disposal ground, and shall submit copies of these records to the Director upon request.
4. The Licencees shall ensure that burning of bleaching clays does not occur at or in the municipal waste disposal ground.
5. The Licencees shall not release or remove any fluid, sludge or solid matter from the liquid waste holding ponds without the written approval from the Director.
6. The Licencees shall, by May 1, 1993, ensure that the fencing surrounding the liquid waste holding ponds is secure and maintained against easy access to the satisfaction of the Director.
7. The Licencees shall, by June 1, 1994, submit to the Director for approval, a Decommissioning Plan for decommissioning the liquid waste holding ponds in a manner which is technically and environmentally supported by independent qualified expertise.
8. The Licencees shall continue the program of employing the use of bird scaring devices at the liquid waste holding ponds during such periods and in such a manner as deemed necessary by the Director in consultation with the Department of Natural Resources.
9. Environment Act Licence No. 1317 is hereby ~~repealed~~ **rescinded**.

### REVOCAATION

If in the opinion of the Director the Licencees have failed, or are failing, to comply with any of the limits, terms, or conditions set out herein, the Director may temporarily or permanently revoke this Licence.

**Larry Strachan, P. Eng.**
