

AN ORDER OF THE CLEAN ENVIRONMENT COMMISSION

302 m.j.

UNDER THE CLEAN ENVIRONMENT ACT

Re: The Clean Environment Commission and Manitou Livestock Sales Ltd.,  
applicant,

WHEREAS pursuant to the provisions of The Clean Environment Act, Manitou Livestock Sales Ltd., Manitou, has submitted an application to the Clean Environment Commission to prescribe limits in connection with the operation of a livestock auction mart located on the NE $\frac{1}{4}$  36-3-9W in the Rural Municipality of Pembina,

AND WHEREAS no representation was made to the Clean Environment Commission by any person who is or is likely to be affected by an Order of the Commission prescribing limits in connection with the said operation,

AND WHEREAS the Clean Environment Commission considered the application on the 26th day of June, 1973,

IT IS HEREBY ORDERED THAT

\*

1. The applicant shall ensure that all animal wastes from the said operation are disposed of in the prescribed manner for agricultural purposes,
2. The applicant shall ensure that:
  - (1) any domestic waste arising from the use of plumbing or other sanitary facilities is retained on the site of the operation and,
  - (2) the installation and operation of said facilities is in accordance with the requirements of the Public Health Act and regulations thereunder,
3. The applicant shall ensure that all wastes are stored and handled in such a manner as to minimize the release of offensive odours,
4. The applicant shall ensure that structures or storages for waste, including manure piles and holding ponds, be constructed and maintained so as to:
  - (1) retain the waste on land under the control of the operator,
  - (2) prevent waste from entering any body of water,
5. The applicant shall ensure that all dead livestock from the said operation are:
  - (1) rendered in a rendering plant; or

*Assigned to  
Eng. & per.  
Sept. 14/73*

5. continued

- (2) buried with a minimum of three feet earthen cover; or,
- (3) disposed of in some other manner approved by the Minister,

6. The applicant shall ensure that a program of housekeeping is initiated and maintained so as to

- (1) minimize the release of offensive odours,
- (2) control the breeding and accumulation of flies.

Order No. 302

Dated at the City of Winnipeg  
this 7th day of September 1973

  
Chairman,  
Clean Environment Commission

\* "Prescribed manner for agricultural purposes" means the manner whereby livestock waste is applied onto or introduced into soil from which a crop is grown within sixteen months from the time of application or introduction and from which a crop is harvested within thirty months from the time of application or introduction.
