

AN ORDER OF THE CLEAN ENVIRONMENT COMMISSION
UNDER THE CLEAN ENVIRONMENT ACT

RE: THE CLEAN ENVIRONMENT COMMISSION and

MANITOBA POOL ELEVATORS, Applicant,

WHEREAS pursuant to the provisions of The Clean Environment Act, Manitoba Pool Elevators submitted an application to The Clean Environment Commission to prescribe limits in connection with the operation of a stockyard and cattle auction mart located in Section 33-10-26 WPM in the Town of Virden, Manitoba;

AND WHEREAS no representation was made to the said Commission by any person who is or is likely to be affected by an Order of the Commission prescribing limits in connection with the said operation;

AND WHEREAS the said Commission considered the application on the 12th day of January, 1976;

IT IS HEREBY ORDERED THAT

1. The Applicant shall ensure that all animal wastes from the said operation are disposed of in the prescribed manner for agricultural purposes*.
2. The Applicant shall ensure that all wastes are stored and handled in such a manner as to minimize the release of offensive odours.
3. The Applicant shall ensure that the structures for the storage of wastes including manure piles and holding ponds are constructed and maintained in such a manner as to:
 - (a) retain the wastes on land under the ownership or legal control of the Applicant;
 - (b) prevent the wastes from entering any body of water.

4. The Applicant shall ensure that all dead animals from the said operation are:

- (a) rendered in a rendering plant;
- (b) buried with a minimum of three feet of earthen cover; or
- (c) disposed of in such other manner as is satisfactory to the Environmental Management Division of the Department of Mines, Resources and Environmental Management.

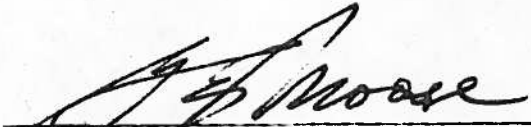

5. The Applicant shall ensure that a program of housekeeping is initiated and maintained so as to:

- (a) minimize the release of offensive odours; and
- (b) control the breeding and accumulation of flies.

Order No. 523

Dated at the City of Winnipeg

this 21st day of JANUARY, 1976.

Chairman,
The Clean Environment Commission.

* "Prescribed manner for agricultural purposes"
- means the manner whereby livestock waste is applied onto or introduced into soil from which a crop is grown within sixteen months from the time of application or introduction and from which a crop is harvested within thirty months from the time of application or introduction.
