Dear Ms. Poulsen:

**RE: Suspension of Clause 8(c) of Environment Act Licence 1666 S3
Discharge of Effluent from St. Claude Wastewater Treatment Lagoon**

This letter acknowledges the request submitted by the Municipality of Grey dated October 20, 2017, to commence discharge of effluent from the St. Claude Wastewater Treatment Lagoon without meeting the effluent limit for total coliform specified in Environment Act Licence 1666 S3.

I am granting a Suspension of Clause 8(c) of Environment Act Licence 1666 S3 pursuant to Section 18(1) of The Environment Act, which allows you to proceed with the discharge of the lagoon. The suspension authorizes discharge of wastewater during the period from October 21 to October 31, 2017, inclusive.

Please be advised that if weather conditions become unsuitable discharge must cease. This authorization may be revoked by an Environment Officer. All other clauses in Environment Act Licence 1666 S3 remain in effect.

If you have any questions, please call Jay Rackham, Environment Officer in Portage la Prairie at (204) 871-6034.

Yours sincerely,
