Dear Mr. McIntyre:

Re: Buhler Versatile Inc. – Notice of Alteration.

Thank you for your email dated March 14, 2014 in which you have requested the following two alterations at your facility located at 1260 Clarence Avenue in Winnipeg and operated under Environment Act Licence 1281 (Licence):

1. A change in the legal name of the facility from Versatile Farm Equipment Operations to Buhler Versatile Inc.
2. An addition of 50 feet by 60 feet “Hazardous Waste Building” constructed in 1997.

Per your request, the Licence will be amended to reflect the new legal name. Please be advised that the Licence will be reviewed and revised as necessary at this time. Upon your request, you will be provided with a draft revised licence for review.

Upon review of your alteration request, I have concluded that the environmental effects of the alteration will be insignificant, and, therefore, in accordance with Section 14(2) of *The Environment Act* your alterations are approved as described in the March 14, 2014 Notice of Alteration.

If you have any questions regarding this matter, please contact Eshetu Beshada at (204) 945-7023 or Eshetu.Beshada@gov.mb.ca.

Yours truly,
