Dear Rebecca Wroblewski:

**Re: BOEING CANADA Operations LTD. - Environment Act Licence No. 1301 RR
Notice of Alteration Approval**

Thank you for your notice of alteration dated August 26, 2024. The department understands you wish to replace the existing 2,200-litre wastewater holding tank with a new 6,000-litre holding tank. The increase in wastewater holding capacity is to reduce the frequency required to empty the tank. There is no change with the volume of wastewater generated at the facility.

I approve the alteration per Section 14(2) of The Environment Act. All clauses of Environment Act Licence No. 1301 RR remain in effect. This approval is available on the public registry at <https://www.gov.mb.ca/sd/eal/registries/index.html>.

If you have any questions regarding this approval, please contact Eshetu Beshada, Senior Environmental Engineer, Environmental Approvals Branch at Eshetu.Beshada@gov.mb.ca or 204-250-1932.

For questions relating to the ongoing administration of the licence, please contact Sonja Bridges, Acting Regional Supervisor, Environmental Compliance and Enforcement Branch at EnvCEWinnipeg@gov.mb.ca or 204-918-4271.

Sincerely,
