**Re: Environment Act License Notice of Alteration – Grosse Isle, MB – License 1855 R5 –  
File 3793.00**

Dear Tracey,

Crop Production Services (Canada) Inc. would like to inform you that we no longer plan to sell bulk granular fertilizer from this location and all assets are in the process of being removed from the site. We anticipate that we will have this completed by the end of August 2018.

We will continue to operate the crop protection products warehouse and bulk liquid fertilizer storage and blending assets from this location.

Sincerely,

A handwritten signature in blue ink that reads "Randi Kozak".
