Dear Mr. Rajurkar:

**Re: ERCO Worldwide – Notice of Alteration**

Thank you for your Notice of Alteration (NoA) dated July 24, 2014 requesting to install a truck-mounted diesel fuel boiler for a temporary period (15 days) at your ERCO Worldwide facility located in Hargrave in the Rural Municipality of Wallace. The temporary boiler is needed to bring back the facility into operation after an emergency shutdown resulting from the June 29-30, 2014 flooding.

Upon review of your alteration request, I have concluded that the environmental effects of the proposed alteration will be insignificant, and, therefore, in accordance with Section 14(2) of *The Environment Act* you are hereby authorized to carry out the proposed alteration as described in the July 24, 2014 Notice of Alteration.

If you have any questions regarding this matter, please contact Mr. Peter Crocker at (204) 726-6565.

Yours truly,
