Dear Mr. Luellman:

**RE: Environment Act Licence Suspension
Discharge of Balmoral Wastewater Treatment Lagoon**

This letter acknowledges the request by the Rural Municipality of Rockwood on July 27, 2017 to commence discharge of effluent from the secondary cell of the Balmoral Wastewater Treatment Lagoon without meeting the effluent limit for total coliforms as specified in Environment Act Licence 2523RR.

I am granting a suspension of Clause 25(d) of Environment Act Licence No. 2523RR pursuant to Section 18(1) of The Environment Act which allows you to proceed with the discharge. The suspension is in effect from July 28, 2017 to August 8, 2017 inclusive for this event.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Environment Act Licence No. 2523RR remain in effect.

If you have any questions, please contact Allan Cyrenne, Environment Officer in Selkirk at (204) 485-6410.

Yours sincerely,

Don Labossiere
Director, Environmental Compliance and Enforcement
