Patrick Pulak, P. Eng.
City of Brandon
410-9th Street
Brandon MB R7A 6A2

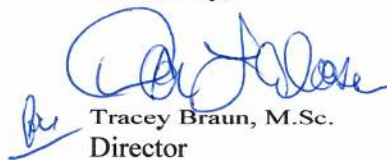

Dear Mr. Pulak:

**Re: City of Brandon Wastewater Collection System – Kirkcaldy Lift Station and Forcemain
Environment Act Licence No. 2991**

This is in response to a Notice of Alteration filed on behalf of the City of Brandon by Mike Gaudreau of AECOM Canada Ltd. dated January 4, 2019, and concerning the construction and operation of the Kirkcaldy lift station and forcemain. The new wastewater collection system infrastructure will replace an existing inverted siphon crossing of the Assiniboine River.

We have reviewed the design brief and plans for the alteration and I concur that the environmental effects of the alteration are insignificant. The alteration can therefore be approved pursuant to Section 14(2) of The Environment Act. Approval to implement the alteration is hereby provided.

Yours truly,

Tracey Braun, M.Sc.
Director
Environmental Approvals Branch
