

## **Notice of Dangerous Goods Handling and Transportation Act Application**

Conservation and Water Stewardship has received an application pursuant to *The Dangerous Goods Handling and Transportation Act* from the following operation and invites public participation in the review process:

### **EXIDE TECHNOLOGIES CANADA CORPORATION – WASTE BATTERY TRANSFER FACILITY - FILE: 5623.00**

A Dangerous Goods Handling & Transportation Act Application has been filed by Exide Technologies Canada Corporation for the continued operation of a Waste Battery Transfer facility located at 966 Powell Avenue in Winnipeg, Manitoba. The facility will accept waste lead acid batteries, store them temporarily and then send them to a licenced battery receiver/recycler.

**Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the application should contact the Department, in writing or by E-mail ([adrian.jackson@gov.mb.ca](mailto:adrian.jackson@gov.mb.ca)), not later than February 12, 2013. Further information is available from the Public Registries located at 123 Main St. (Union Station) Main Floor, Winnipeg; the Millennium Public Library, 4<sup>th</sup> Floor, 251 Donald St., Winnipeg; and the Manitoba Eco-Network, 3rd Floor, 303 Portage Ave. or by contacting Adrian Jackson, Environmental Engineer at 204-945-7108.**

Information submitted in response to these applications is considered public information and will be made available to the applicant and placed on the public registry.
