

Appendix B:
Snow Lake Open House Materials

OPEN HOUSE

Held August 15, 2013 (6-8pm)
Royal Canadian Legion, Snow Lake, MB
for
PTH 39 REALIGNMENT
6.0 km West of PR 596 to 10 km East of PR 596

In attendance: 9 people (four from Herb Lake Landing, five from Snow Lake)
Department Representatives (4): Barry Rempel, Vanessa Garrett,
Bruce Reagan, Stephen Olynick

Feedback was positive as guests acknowledged the advantage of a straighter, shorter road. Questions were geared towards when the work would take place and why we were interested in moving the road. One of the trappers with a registered trap line in the area was in attendance (Jim Corman from Herb Lake Landing) and indicated that he utilizes anywhere he can along the existing highway for trapping. He did not oppose to the proposed changes.

In response to why we are moving the road, the safety benefit was highlighted, as well as cost versus other alternatives, the road user and other long term benefits. Timelines were given as well as an explanation to the construction staging. Due to the construction methods needed, the project will be required to start in winter, and if funding and approvals were in place, there would be a potential to get a head start this approaching winter. Guests in attendance also asked a variety of non-related project questions regarding other highways in our network and future planned upgrades.

PUBLIC OPEN HOUSE

Share Your Views

Thursday,
August 15, 2013

You are invited to attend a public open house to review highway realignment of PTH 39 east of Herb Lake Landing near PR 596.

Preliminary designs for the road realignment will be presented.

The open house will be held at:

The Royal Canadian Legion
Basement (Please use side door)
104 Elm St, Snow Lake, MB
Drop in from 6:00 p.m. – 8:00 p.m.

For more information about this open house please contact Stephen Olynick at **204-679-0394**.

Ad size: 2 cols (3.333") x 100 lines

Insertion date: Friday, August 9, 2013

OPEN HOUSE

August 15, 2013

PTH39 REALIGNMENT

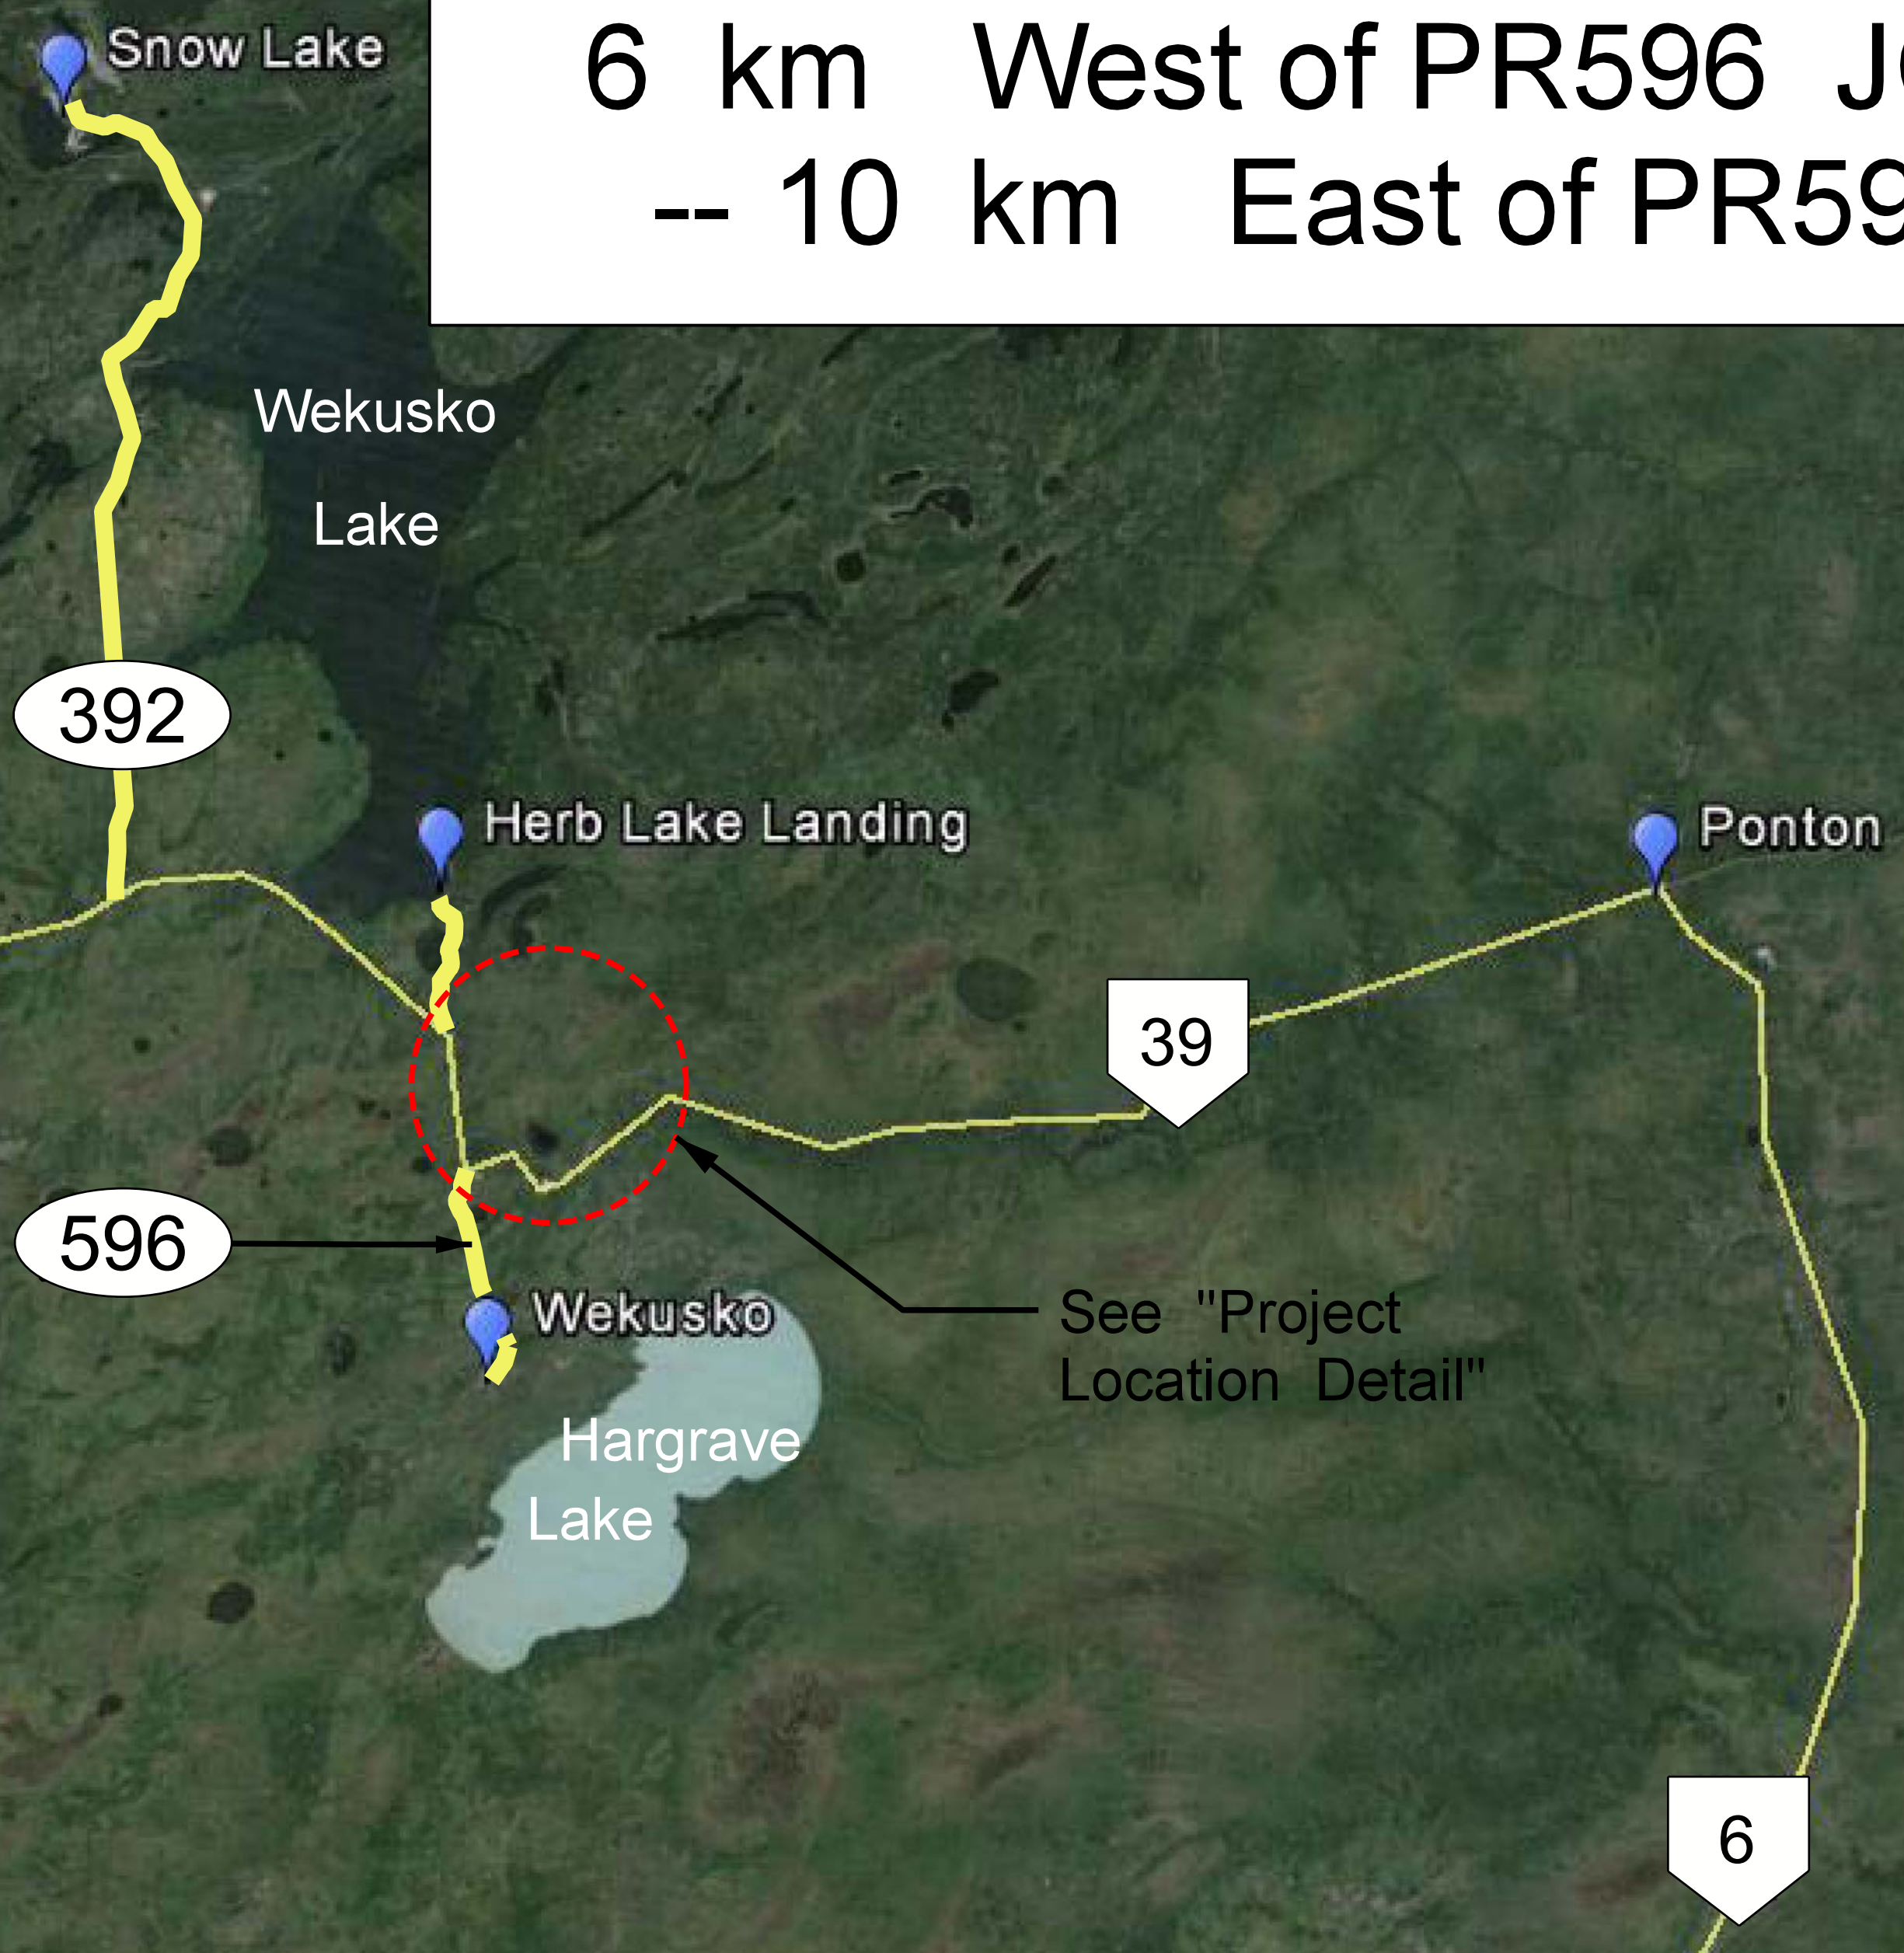

6.0 km West of PR596 -- 10 km East of PR596

PROJECT INFORMATION

- Comprised of realigning 14 km of existing roadway from Herb Lake Landing intersection to 9 km easterly for a safer, more direct route along PTH39
- Construction tentatively scheduled for winter 2014
- Paving scheduled the following year with new alignment opening to traffic once completed
- Merchantable timber will be salvaged
- Traffic delays will be minimal as most construction will occur off the existing roadway
- Access to Wekusko will be maintained with new intersection

Feedback welcome.
