

Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

FUTURE SCRAP DIV. OF XPOTENTIAL PRODUCTS INC. – AUTO WRECKING – FILE: 5702.00

A proposal has been filed on behalf of Future Scrap a Division of Xpotential Products Inc. for the construction and operation of a scrap processing and auto wrecking facility located at 999 Redonda Street in the Rural Municipality of Springfield, Manitoba. The facility will receive white goods, scrap metals and vehicles that are no longer drivable to wreck and shred them. The potential environmental effects of the development are related to traffic and air emissions.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (Eshetu.Beshada@gov.mb.ca), not later than APRIL 25, 2014. Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry, <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Eshetu Beshada, Environmental Engineer 204-945-7023.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
