

Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

MANITOBA INFRASTRUCTURE AND TRANSPORTATION – ST. ADOLPHE RING DIKE EXPANSION – FILE: 5742.00

A proposal has been received from Manitoba Infrastructure and Transportation for the expansion of the existing ring dike around the community of St. Adolphe. The area enclosed by the dike would be expanded by an area of 1.6 km² to the east of the community to allow for future community growth. The project includes the removal of the community's existing east dike, and the construction of internal drainage and flood pumping facilities. Construction of the project is proposed for the period May 2015 – October 2016.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (bruce.webb@gov.mb.ca), not later than DECEMBER 2, 2014. Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry: <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Bruce Webb, Environmental Engineer at 204-945-7021.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
