Subject: RE: DGHT Application for review & comment - R.M. Shell River Hillsburg Eco-Centre - DGHT
File: 5743.00

The Office of the Fire Commissioner recommends that the proponent obtain a building permit and occupancy permit for the construction of this facility. The building and occupancy permit application can be obtained from the Office of the Fire Commissioner in Dauphin. Also, the proponent should submit, to the local fire authority, an updated Fire Safety Plan in conformance with section 2.8 of the Manitoba Fire Code.
