

Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

HEMP SENSE INC. - HEMP FIBRE PROCESSING FACILITY – FILE: 5801.00

A proposal has been filed on behalf of Hemp Sense Inc. for the construction and operation of a hemp fibre processing facility at Section NW 9-25-22 W, Lot 2 Plan 40823 WLTO in the Rural Municipality of Gilbert Plains, Manitoba. The facility will process hemp straw into various value added products. The potential environmental effects of the development are related to noise, traffic and particulate matter emissions.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (Eshetu.Beshada@gov.mb.ca), not later than December 16, 2015. Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry, <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Eshetu Beshada, Environmental Engineer 204-945-7023.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
