Dear Mr. Donald:

Re: Notice of Alteration for Environment Act Licence no. 3179

This will acknowledge receipt of your letter, dated July 5, 2016, on behalf of Tundra Energy Marketing Limited (TEML) regarding the proposed alteration to Environment Act Licence no. 3179 issued for the Two Creeks Pipeline Project.

Your letter requests approval an earlier construction start date of September 6, 2016 from the originally proposed date of December 1, 2016.

As the potential environmental effects resulting from the proposed alteration are not expected to be significant and can be addressed through existing licensing conditions and mitigation measures identified in your letter, dated July 5, 2016, the alteration is hereby approved pursuant to Section 14(2) of the Environment Act.

Should you have any questions about the review process, please contact Darrell Ouimet at (204) 803-1389 or Darrell.Ouimet@gov.mb.ca.

Yours sincerely,
