PUBLIC HEARING:

A public hearing is not recommended.

CROWN ABORIGINAL CONSULTATION:

The project is located on land owned by the proponent and located within the waste disposal facility which is owned by the same proponent. All surrounding land potentially affected is privately owned agricultural zoned land. The project will not affect resource use on land or water. There are no adjacent or nearby First Nations.

RECOMMENDATION:

The provincial TAC expressed no concerns, or concerns are addressed in the draft licence, regarding the proposal. Therefore, it is recommended that the Development be licensed under *The Dangerous Goods Handling and Transportation Act* subject to the limits, terms and conditions as described on the attached draft DGH&T Act licence. It is further recommended that enforcement of the Licence be assigned to the Western Region.
