

Notice of Dangerous Goods Handling and Transportation Act Application

Manitoba Sustainable Development has received an application pursuant to *The Dangerous Goods Handling and Transportation Act* from the following operation and invites public participation in the review process:

TOWN OF SNOW LAKE - SNOW LAKE USED OIL DEPOT - FILE: 5835.00

A Dangerous Goods Handling & Transportation Act Application has been filed by the Town of Snow Lake for the construction and operation of a used oil products and materials collection facility located on parcels L and M Plan 38264 PLTO in 9, 16, 20 and 21-68-17 WPM, Manitoba (at the existing landfill and recycling centre location). The facility will accept used oil, used oil filters, used oil containers and antifreeze and store them temporarily and then send them to a licensed facility for processing.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the application should contact the Department, in writing or by E-mail (cory.switzer@gov.mb.ca), not later than JULY 15, 2016. Further information is available from the Public Registries located at Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry: <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Cory Switzer, Environmental Engineer at 204 250-7645.

Information submitted in response to these applications is considered public information and will be made available to the applicant and placed on the public registry.
