Dear Justin Copp:

**Re: Environment Act Licence No. 292 R - Alteration Request**

Thank you for your alteration request dated February 14, 2023. You wish to expand the manufacturing floor and install the following:

- a new flat sheet laser connected to an existing emission control system
- a 3D tube laser with its own emission control system
- three brake presses to replace the existing old model presses

I approve the alteration per Section 14(2) of The Environment Act. All other clauses of the licence remain in effect.

For questions regarding this approval, please contact Eshetu Beshada, Senior Environmental Engineer, Environmental Approvals Branch at [Eshetu.Beshada@gov.mb.ca](mailto:Eshetu.Beshada@gov.mb.ca) or 204-250-1932.
