Chief Administrative Officer

Dear Ms. Gaultier:

RE: Environment Act Licence Suspension, Discharge of Sommerset Wastewater Lagoon

This letter acknowledges the request submitted by the Municipality of Lorne on August 23, 2016, to commence discharge of effluent from the secondary cell of the Sommerset Wastewater Lagoon without meeting the effluent limit for total coliform specified in Clean Environment Commission Order No. 813.

I am granting a suspension of Clause 2(d) of Clean Environment Commission Order No. 813 pursuant to Section 18(1) of *The Environment Act* which allows you to proceed with the discharge of the secondary cell of the lagoon. The suspension is in effect from August 24, 2016, to September 7, 2016, inclusive for this event.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Clean Environment Commission Order No. 813 remain in effect.

If you have any questions, please call Jay Rackham, Environment Officer in Portage la Prairie at (204) 239-3868.

Yours sincerely,
