Dear Mr. Driedger:

**Re: Environment Act Licence Suspension
Discharge of Grunthal Wastewater Treatment Lagoon**

This letter acknowledges the request made by the R.M. of Hanover on August 18, 2017 to commence discharge of effluent from the secondary cells of the Grunthal Wastewater Treatment lagoon without meeting the effluent limit for total coliform specified in Environment Act Licence No. 2984.

I am granting a suspension of Clause 34. d) of Environment Act Licence No.2984 pursuant to Section 18(1) of the Environment Act, which allows you to proceed with the discharge of the secondary cell of the lagoon. The suspension is in effect from August 22, 2017 to September 5, 2017, inclusive for this event.

Please be advised that all other clauses in Environment Licence No. 2984 remain in effect.

Any questions regarding this letter should be directed to Mr. Nino Novelas, Environment Officer at (204) 392-4487.

Yours sincerely,

Don Labossiere
Director, Environmental Compliance and Enforcement
