Dear Mr. Topping:

Re: **GRAND RAPIDS GENERATING STATION RENEWAL APPLICATION**

Manitoba Hydro hereby applies for the renewal of the Final Licence for the Grand Rapids Site under the provisions set out in subsection 46(1) of the Water Power Act Regulations. This renewal application falls within the specified two year period of “not less than four nor more than six years prior to the termination” of the licence on 2015 01 02.

To our knowledge, Manitoba Hydro has met all the requirements of the existing licence and complied with all laws, regulations and special requests from the Director or Minister. Manitoba Hydro intends to continue these practises at the Grand Rapids site.

Should you have any inquiries on this matter or additional process requirements, please contact me at 360-3018.

Yours truly,
