**INFORMATION**

1. This statement lists, in alphabetical order within Department or Special Operating Agency, each payee whose total payments by that individual department or special operating agency exceeded \$50,000 during the fiscal year. Payments are presented on a gross basis to show all amounts which were charged to the 2021-2022 fiscal period for the purchase of goods and services, investment and loan transactions, grant payments and refunds as well as payments from amounts held in trust on behalf of others.
